

Wahconah School Building Project

You are receiving this questionnaire from the Central Berkshire Regional School District School Building Committee. The School Building Committee has been formed in response to Wahconah Regional High School being invited into the CORE program to study the best long term solution for Wahconah Regional High School with partial funding from the Massachusetts Association of School Building Authorities. If you are not yet familiar with the project more information is available on the school website at http://www.cbrsd.org/for_parents/m_s_b_a_building_project.

1. Name

.....

2. Email

.....
